Date	Daily Standup Meeting - March 24th, 2024
Members Present	<input checked="" type="checkbox"/> Kieran Hansen <input checked="" type="checkbox"/> Sebastian Jingoi <input checked="" type="checkbox"/> Isaiah Velasquez <input type="checkbox"/> Zain Rizvi <input checked="" type="checkbox"/> Hriday Algh
Meeting Summary	<ul style="list-style-type: none"> <li>- Kieran updated the css for multiple app components and made some more polishing touches, including adding more functionality to the app settings page. Shared plans to begin working on admin portal for the next meeting .Not experiencing any blockers currently.</li> <li>- After completing other assignments, group members now have more time to focus on the project during the last few days of the project</li> </ul>

Date	Daily Standup Meeting - March 25th, 2024
Members Present	<input checked="" type="checkbox"/> Kieran Hansen <input checked="" type="checkbox"/> Sebastian Jingoi <input checked="" type="checkbox"/> Isaiah Velasquez <input checked="" type="checkbox"/> Zain Rizvi <input checked="" type="checkbox"/> Hriday Algh
Meeting Summary	<ul style="list-style-type: none"> <li>- Kieran shared progress on admin portal, creating a login page but lacking functionality. Plans to add this functionality before the next meeting. Not experiencing any blocks, but due to life commitments, time spent on the project might be cut down.</li> <li>- Zain discussed how to implement report feature button without knowing exactly what fields would be needed as it would depend on the washroom info page</li> <li>- Isaiah continued working on washroom recommend, discussing what fields to use and what fields realistically should be sent to the database for users.</li> <li>- Members talked through other small blockers such as figuring out what order to do some tasks for better implementation</li> </ul>

Date	Daily Standup Meeting - March 26th, 2024
Members Present	<input checked="" type="checkbox"/> Kieran Hansen <input checked="" type="checkbox"/> Sebastian Jingoi <input checked="" type="checkbox"/> Isaiah Velasquez <input checked="" type="checkbox"/> Zain Rizvi <input checked="" type="checkbox"/> Hriday Algh

Meeting Summary	<ul style="list-style-type: none"> <li>- Kieran finished the login page of the admin portal and added a modular sidebar navigation menu to allow for the simple creation of multiple pages within the app. Plans to step back for now to allow others to take over, but will jump back into the project when he can. Not experiencing any blockers currently.</li> <li>- Isaiah took on separating the implemented washroom list from the search bar, so that it could be used for other components. Finished working on the recommendation page and submitting data to the database for customers.</li> <li>- Group Discussed what tasks need to be completed vs nice to have</li> <li>- Setting rough timelines for the completion of each task and feature</li> </ul>
